

# About Home Start School

Home Start School is a complete Pre-K/Kindergarten Homeschooling Curriculum. All of the lessons are founded in best practices and research. If you complete the Home Start Lessons, your child will be ready to tackle first grade with ease. If they are a Pre-Kindergarten student, they will excel and be ahead in Kindergarten. There are 36 weeks of lessons with a few breaks for various holidays.

The lessons are posted on Patreon at [www.patreon.com/homestart](http://www.patreon.com/homestart). If you haven't used Patreon before, it is user friendly and allows people to subscribe to a page to get the information. The fee will be \$25 a month and will be charged at the beginning of each month. Each week there will be a new post with that week's lessons and resources/print-outs. They will include 5 days of instruction unless there is a significant holiday.

There is a Facebook Group to provide a community to ask questions, get clarification, and build relationships with fellow homeschoolers. The group can be found here:  
<https://www.facebook.com/groups/613291819306239>.

## About Mrs. Burke

Mrs. Burke has been a public school Kindergarten teacher for the last 4 years. Before teaching Kindergarten, she was a Pre-K teacher at a private school for 5 years. She has dedicated her life to our littlest learners and can't wait to support you in building a solid foundation for your child.
