When will I be charged?

You will be charged \$25 when you first sign up and then \$25 on the first of each month. There are no charges in June. You are responsible for cancelling your subscription after the school year. I am unable to do it for you and you will continue to be charged after June if you do not cancel.

Do I have access to previous lessons if I start late?

Yes, once you pay the initial fee, you will have access to all previous lessons of the school year.

What supplies do I need?

Please check the separate document titled supply list. Supplies are minimal.

Are Pre-K and Kinder the same lessons?

Yes. It is hard to know where students are academically just by age. Each child is different, so some Pre-K students may be ready for Kinder material. I always suggest you use what you feel like your child needs. If something is too difficult, skip it or modify it. The beauty of homeschooling is that you can do what you feel is right.

Can I ask for help?

Yes! Message me on Facebook or on Patreon. I am here to help!
